

November 10, 2025

Jeffrey Rouder
Cognitive Sciences

On 11/6/2025, the IRB reviewed and approved the following submission:

Protocol Information	Submission Details
UCI Study ID:	STUDY00000064
Title:	Sensory Discriminaion and Processing Speed: Dissociable Abilities and Links to higher-order cognitive functions
Type of Review:	Initial Study
Level of Review:	Non-Committee Review. Expedited Research Category: 7

The IRB approved the protocol from 11/6/2025 to 11/5/2028 inclusive.

60-90 days prior to the expiration date or within 30 days of study close, whichever is earlier, you are to complete and submit a Continuing Review to request continuing approval or closure. If continuing review approval is not granted before the expiration date of 11/5/2028 approval of this protocol expires on that date.

To document consent, use the consent documents that were approved and stamped by the IRB. Go to the Documents tab in your study workspace to download them.

In conducting this human research protocol, you are required to follow the requirements listed in [HRP-103 - INVESTIGATOR MANUAL](#). Review the [Human Research Protections \(HRP\) Toolkit](#) to learn more about the Human Research Protections Plan and related Standard Operating Procedures (SOPs) at the University of California, Irvine.

Questions concerning the approval of this research project may be directed to: University of California, Irvine, Office of Research, Irvine, CA 92697-7600; 949-824-8170.

Sincerely,

Will Kettler, CIP
Alternate Member, Institutional Review Board

IRB Determinations as Conditions of Approval:

Informed Consent:

1. Signed Informed Consent Required
